The Highlands

18-HOLE MOUNTAINTOP COURSE

Located 2,300 feet above sea level and designed by Rees Jones and Bill Bergin, few courses offer the range of hole types or the drama inherent in its landscape. The mountaintop golf experience sets itself apart from the rest with memorable jaw-dropping views of Lookout Mountain. This top 100 course is a friendly course for novice golfers yet challenging for the most seasoned players.

The Keep

18-HOLE COURSE OPENING SUMMER 2024

The Cairn

The Cairn Short Course is one of the several jewels in the crown of McLemore. Designed by Bill Bergin, The Cairn rests on the north side of the Clubhouse and overlooks the dramatic and award-winning 18th hole on the Highlands Course.
